## TERHI TENDER

### TECHNICAL DETAILS

Length	235 cm
Width	130 cm
Weight	55 kg
Number of passengers	2
Recommended engine power	2-3 hp
Engine power max	2,3 kW/3 hp
Transom height	short
CE design category	D
Colors	<input type="checkbox"/> <input checked="" type="checkbox"/>

### AS A STANDARD

Lockable storage space  
Oars 6,5' 195 - 30 mm, drilled  
Rain water drainage  
Rowlocks, alum. (a pair)  
Rub strip in rubber  
Terhi hand bailer

### ACCESSORIES

70112-TER	Cup holder for rowlock socket, grey
723549-TER	Davit hook
723515-TER	Harbor cover
723501-TER	Seat cushions
7600-TER	Telescope paddle 100-157 cm

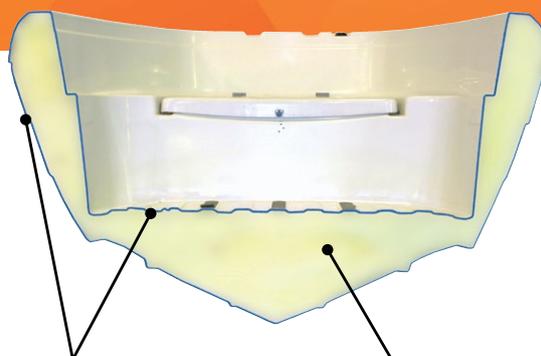

## TERHI TENDER - Small but stable

Terhi Tender is excellent as a help dinghy or yawl for a larger boat or as the first boat for the family's youngest skipper. Handy and effortless to row, easy to lift and travels well after a bigger boat without slowing the pace. Thanks to its catamaran-hull, Tender is extremely stable and secure. Under the seat, which is in lengthwise direction, is a lockable space for oars and other accessories.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seat
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

## TERHI SUNNY

### TECHNICAL DETAILS

Length	310 cm
Width	147 cm
Weight	75 kg
Number of passengers	3
Recommended engine power	4 hp
Engine power max	3,7 kW/5 hp
Transom height	short
CE design category	D
Colors	<input type="checkbox"/>

### AS A STANDARD

Oars 7,5' 225, drilled  
Rowlocks, alum. (a pair)  
Rub strip in rubber  
Rain water drainage  
Terhi hand bailer

### ACCESSORIES

70112-TER	Cup holder for rowlock socket, grey
731049-TER	Davit hook
731013-TER	Harbour cover
700475-TER	Keel guard
73150-TER	Seat cushions
691001-TER	Storage box on slide rail
7600-TER	Telescope paddle 100-157 cm
69102-TER	Terhi seat cushion (44,5/45,5 x 42 x 6 cm)

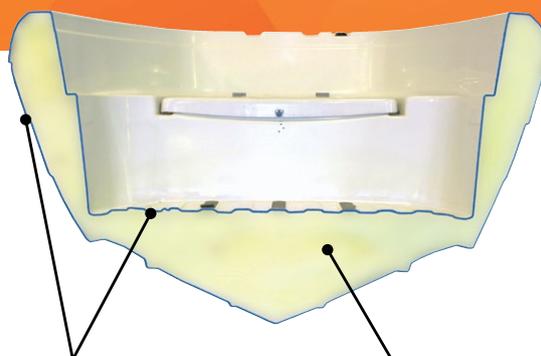

## TERHI SUNNY - Handy and versatile

A lightweight rowing boat, that also runs happily with a small outboard engine. Its handy size and light weight makes Sunny easy to transport for example on the roof of your car or in a davit of a larger boat. Not only is it perfectly suited for fishing, but it also functions well as a seabird-hunter's base.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

69100-TER	Terhi storage compartment for railing
691001-TER	Terhi storage compartment with slide rail

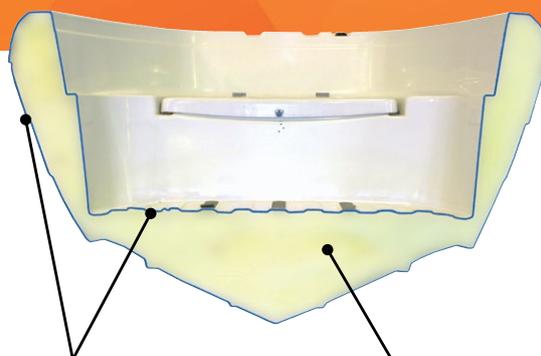

## TERHI 390 - Suosikkisoutuvene uudistui

Terhi 390 on kauan odotettu seuraaja Terhin suosituille pitkäaikaiselle 385-mallille. Terhi 390:n valtteihin kuuluvat etenkin veneen kevyt ja helppo soudettavuus sekä suuntavakaus. Soutajan ergonomiaan on myös kiinnitetty huomiota. Venettä voi soudata joko keski- tai keulapenkiltä, ja veneen pohjaturkissa on jalkatuet eripituisille soutajille. Vene kulkee myös hienosti pienellä poltto- tai sähköperämoottorilla. Terhi 390 on saatavilla puhtaana valkoisena, vihreänä sekä retro-oranssina, sisusta on kaikissa valkoinen.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Strengthened keel
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

# TERHI 400

70062-TER	Transom mount for echo sounder
740070-TER	Windshield

\* The targa arch in alum. is adjustable to desired width and height by cutting the aluminum pipes  
 \*\* Requires a pair of side railings

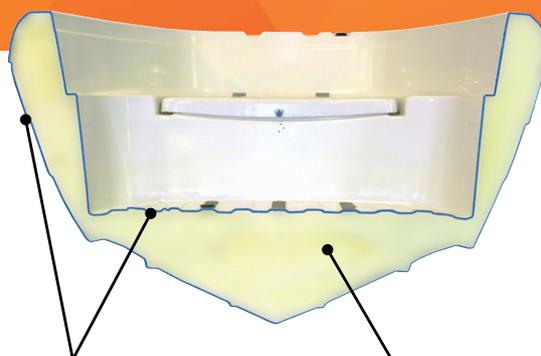

## TERHI 400 - Popular all-around boat

An excellent boat for island retreats. Reliable, simple and inexpensive, Terhi 400 travels well with a 6-15 hp outboard engine but is also possible to row, both from front and middle bench. Stability, ease of use, good running performance and durability makes Terhi 400 a safe boat to use. The boat can easily be pulled up on land and it has very good storage facilities. Oars, fuel tank and battery can be stowed and locked. Rope boxes are in both corners in the aft. Available in light grey or verde color (green outer shell and light grey inner shell).

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Strengthened keel
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

## TERHI 400 C - Fun, versatile and user-friendly

A stable and seaworthy boat equipped with a steering console. Terhi 400 C is in her element as a commuter and pastime boat in lake areas and sheltered coastal waters with a load of 1-3 persons. Suitable also for anglers. Customize your very own boat according to your needs using extensive additional equipment. Available in light grey or verde color (green outer shell and light grey inner shell).

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Strengthened keel

\* The targa arch in alum. is adjustable to desired width and height by cutting the aluminum pipes  
 \*\* Requires a pair of side railings

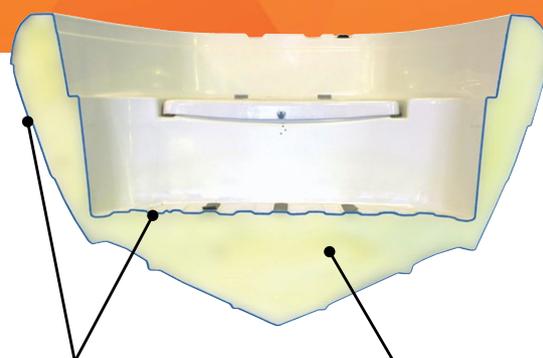

## TERHI 440 - Miraculously spacious

A generously sized rowing boat that can be fitted with an outboard motor. Thanks to the wide hull, Terhi 440 is very stable and the carrying capacity is far more than in most boats of similar size. Commuting from one place to another, the boat carries safely even larger loads to and from the summer house or cottage. When fishing it does not rock, nor roll when the nets are set or when the catch is lifted into the boat. Lockable storage spaces are available in both bow and stern, and the middle bench can be adjusted in lengthwise direction or disconnected and removed if necessary.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

691001-TER	Terhi storage compartment with slide rail
691062-TER	Grey adhesive seat pads for the benches (durable, thin, easy to clean - 3-part)

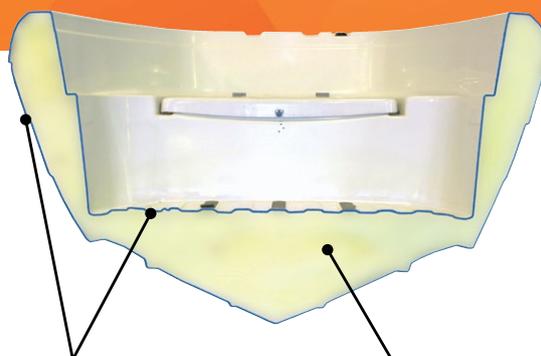

## TERHI SAIMAN - The classic Finnish rowboat

Terhi's version of the traditional Finnish rowing boat. This open boat moves easily and smoothly, with oars or by engine, but it is much easier to maintain than traditional rowing boats. Saiman's strong sandwich hull of ABS-plastic can withstand hard impacts much better than boats made out of wood or fiberglass. This carefree boat has room for two sets of oars and a small outboard engine. Lockable storage spaces are also available in this model, and Saiman also has a middle-bench that is adjustable.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

## TERHI SAIMAN SOLAR

69100-TER	Terhi storage compartment for railing
691001-TER	Terhi storage compartment with slide rail

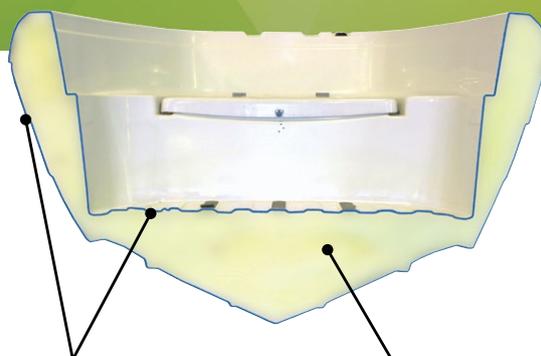

## TERHI SAIMAN SOLAR - Eco-friendly alternative

Saiman Solar is a renewed edition of Saiman Sunwind - the eco-friendly boat that uses solar energy as energy source. A 45 W solar panel, a battery regulator and battery casing are included as standard - all pre-assembled. You only need to add a battery that suits your needs and an electric outboard of your choice. If you choose an engine with an integrated battery, you do not necessarily even need a separate battery. Saiman Solar is an excellent choice for environmentally conscious boaters and for those who travel on waters where traditional combustion outboard engines are prohibited.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

\*\* Requires a pair of side railings

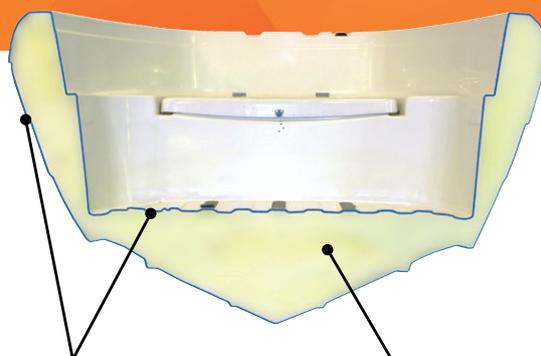

## TERHI 450 - An allrounder for coastal waters

Terhi 450 is a tiller-handled version of the 450 product family. 450 has an aluminum reinforced stern transom. The reinforced transom makes it possible to mount even a 40 hp outboard engine, which gives you as the boat user a heap of new dimensions. Terhi 450 is a versatile allrounder suited just as well for short sea transfers and family daytrips, as for setting fishing nets with and transporting bulky goods and building materials to the summer house.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

## TERHI 450 C - Versatile leisure boat

Terhi 450 C is a true allrounder equipped with a practical side console. It is extremely stable and balanced, and is thus especially suited for access and transport boating, as well as for different kind of recreational fishing. The safe, un-sinkable construction makes this a good option also for the family's younger skippers. On the new, reinforced stern transom an outboard of up to 40 hp can be mounted, which particularly improves the carrying capacity.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

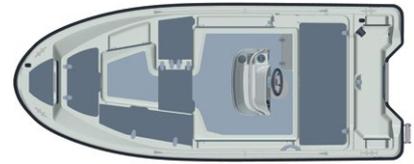

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

## TERHI 450 CC

### TECHNICAL DETAILS

Length	445 cm
Width	185 cm
Weight	310 kg
Number of passengers	C5/D7
Recommended engine power	30-40 hp
Engine power max	29,8 kW/40 hp
Transom height	long
CE design category	C/D
Colors	<input type="checkbox"/>

### AS A STANDARD

12 V electric outlet  
 Built-in livewell  
 Cleats (4 pcs)  
 Cover for the bottom draining  
 Electric bilge pump  
 Engine fixing bolts  
 Fire extinguisher  
 Rain water drainage  
 Readiness for navigational lights  
 Rubber rub rail  
 Safety/swim ladder  
 Steering console  
 Terhi hand bailer  
 Three lockable storage spaces  
 Windshield  
 Windshield railing

## TERHI 450 SLOEP - For the joy of the ride

Terhi 450 Sloep is an open boat tailored especially for Central European lakes and canals. With 450 Sloep it's more about the sea voyage than the destination, as you can sit back and enjoy the journey in the comfortable u-shaped sofa in the bow. A sunbed can also be mounted in the bow, making the summer days even more enjoyable. The boat has plenty of seating, so be sure to invite your friends and family along for the ride!

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

## TERHI NORDIC 6020 - The fisherman's friend

Nordic 6020 is a seaworthy and popular all-round boat with extraordinarily good 'work boat' capabilities. The boat has received thanks for its high freeboard and utmost stability, making the boat very secure and safe to use for boaters of all ages. This also makes Nordic 6020 optimal as a commuter's boat. Anglers highly praise Nordic 6020 for its open middle deck area, which makes it safer to move about in the boat while fishing. The boat even has a fish well with drainage, to hold all your catch, as standard.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

## TERHI NORDIC 6020 C - The stable commuter

The console boat Nordic 6020 C is directly related to the fishermen's favorite boat. As well as its role model, Nordic 6020 C is also very safe and secure on the water regardless of the weather. If more seating is potentially needed, the side storage compartment's lid can be folded over to form a middle bench. Included as standard are, among other things, a bilge pump, high bow rails for easy boarding and readiness for navigational lights.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row

## TERHI 480 BR - The versatile Terhi flagship

Terhi 480 BR is a versatile bow rider and the flagship of the Terhi model range. The pure white hull color combined with the classic grey cushions make Terhi 480 BR a timeless and stunning package. The driving characteristics and performance are extremely good in comparison to its rather compact size, and offers a lot of fun on the water. The triple ABS sheet construction makes 480 BR both sturdy, practical and safe to operate. Good shelter for the cockpit is offered by the double steering consoles and a steady middle door.

### The unique Terhi ABS boat

- Unsinkable sandwich construction

## eTERHI 390

### - An electrified version of our favorite rowboat

eTerhi 390 is an electrified version of the season novelty, the Terhi 390 rowboat. In the eTerhi 390 the solar panel has been placed on the middle bench. In addition to the 45W solar panel, the standard equipment also includes a set of oars and two rowlocks, a large lockable storage space in the bow, a Terhi hand-bailer and the rub rail. The eTerhi 390 has several places to which the separately bought battery with battery casing can be safely installed, making it easier to add electronics regarding e.g. fishing equipment and echo sounder to the boat.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Strengthened keel
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

## eTERHI SAIMAN - The electrified classic

eTerhi Saiman is a traditional rowing boat equipped with a solar panel, ready for any electric outboard you might add. eTerhi Saiman is an excellent choice for environmentally conscious boaters and for those who travel on waters where traditional combustion engines are prohibited. The solar panel is placed on center bench of the boat. When more seating is needed, the solar panel can easily be turned under the bench by turning around the entire countertop. In this way, the solar panel is not damaged during the journey. A lockable storage compartment, pair of oars and rowlocks also come with the basic pack.

### The unique Terhi ABS boat

- Unsinkable sandwich construction
- Strong hull that tolerates hits
- Lightweight and easy to handle
- Ergonomic to drive/row
- Durable and comfortable seats
- Extremely stable, thanks to the low centre of gravity
- Rainwater drainage
- Easy to keep clean

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

# eTerhi 400

## & Torqeedo Travel 1103 CS

### TECHNICAL DETAILS

Length	401 cm
Width	150 cm
Weight	120 kg
Number of passengers	4
Recommended engine power	6-10 hp
Engine power max	11,2 kW/15 hp

## eTERHI 440 - Stable and silent companion

eTerhi 440 is a solar powered rowing boat with two middle benches and a sun panel installed on the stern bench. One of the middle benches can be unfastened and placed on the other one, making more room for luggage or fishing. The boat is equipped with lockable storage compartment in the bow and stern, pair of oars and rowlocks as standard. Colour option for boat is light grey and Verde (green). The Verde version has a green outer hull and a light grey inner hull.
